NEWS FROM THE FIELD

The war in midst , a man came running to Dovid ben Yishai, reported Ephrayim ben Menashe from the shevet of Shimon. He was wearing clothes of a mourner, dressed in sackcloth and ashes.

He fell before Dovid Ben Yishai .

Dovid asked the man "were are you from?"

The man answered " I escaped the battle field."

"What happened there?" asked Dovid.

The man began the sad news "the Jews have run away, many of them are dead and Shaul and Yehonason have also died"

Dovid could not belive what he had heard, "were did you hear this?" he questioned .

"I happened to be on Har Gilboa," explained the man, " with Shaul Hamelech. Shaul had a seizure and fell on his sword. The enemy was coming closer so he motioned to

me to come over. I asked him if I could help ."Who are you?" he inquired. I told him I am an Amalaiki. Shaul commanded "Kill me! Because if the enemy's get me they will torture me." So I killed him and brought you his crown and jewelry since you are the next king!"

The jewelry and crown of Shaul Hamelech as known is teffilin.

The messenger is none other then Doeg the head of the Sanhedrin.

THE MESSENGER IS PUNISHED

Upon hearing the news Dovid ripped his garments and his men did the same.

They mourned for Shaul Hamelech, Yehonason and for evryone else that was killed in the war, until sunset.

Dovid asked the messenger who he was reports Chananya ben Yehoshua from the Shevet of Reuven.

The messenger responded "I am the son of a ger Amalaiki."

"And you dared kill the anointed of Hashem ,"called out Dovid. "You deserve death penalty for this!"

Dovid called to his servant and instructed him to kill Doeg.

Dovid told Doeg, "You brought the death upon yourself. You testified 'I killed the Jewish king annointed by Hashem'".

Doeg was killed.

*The known reason that Doeg ran to Dovid was because he thought Dovid would be so happy that Shaul Hamelech was killed.

However it was not the case as you can see.

Dovid ben Yishai asked Hashem if he should go up to Eretz Yisroel last week and to which location, Menachem ben Mendel from the Shevet of Levi reported.

His answer was yes, to Chevron.

Dovid took his family and went to Chevron.

The shevet of Yehuda anointed him in the city of Gilad.

The rest of Bnei Yisroel did

not accept him as king.

When Shaul was killed the Plishtim found his body. They were overjoyed and sent his head around the Pelishti country to show it to everyone and hung the bodies on the walls of their cities.

The Yidden who live in the city of Yavesh Gilad in the country of Menashe decided to risk their lives and bury

Shaul and his sons. They went in the middle of the night and buried Shaul and his sons in the city of Yivosh Gilad.

When Dovid heard he bentched them.

One day Avner came from Machanayim with the servants of Ish boshes, to the Pool of Givon. At the pool he met Yoav with the servants of Dovid, reported Shimon ben Yitzchak from the Shevet of Don.

Avner suggested they have a play fight and whatever team wins their king is the real ruler.

Each side gathered men,.

The outcome was that they were equally strong and all of them grabbed their companion and killed him. Sadly, everyone was killed in the end.

THE CHASE

Eshohel the son of Tzoria was very fast runner and started to chase Avner, reported Chananya ben Asnial of Shevet Efrayim.

Avner, not wanting to get into trouble with Yoav, the brother of Eshohel and General of Dovid, told Eshohel to grab onto a young boys shirt and make like he had been chasing the young boy.

Eshohel refused and continued to chase Avner. Avner stabbed Eshohel in the fifth rib and Eshohel passed away.

BREAKING NEWS: AVNER GOES TO DOVIDS SIDE

Over the months Avner had been gaining power. Avner took Shaul's Pilegash Ritzpa bas Aya. Ish Boshes was unhappy about it, since taking a king's Pilegash is a sign of Rebellion, and summoned Avner, reported Gidoen ben Barak from the Shevet of Yisachar. Ish Boshes asked Avner "Why did you take my father's pilegash?" " Am I the head of a dog!?" cried out Avner, "I saved you from the hands of Dovid, and crowned you as king, how can you accuse m" Ish Boshes was afraid to answer.

Avner decided to make a treaty with Dovid and he writes a letter to Dovid

reports Mordechai ben Avshalom from the shevet of Naftali. Avner wrote that he now realizes that Dovid is the king chosen by Hashem. Dovid agrees on the treaty on the condition that he gets his wife Michal back. A few years back (as you probably remember) Michal was married to Dovid. To marry her he had risked his life and given her 100 orlos from 100 Pelishtim. When Shaul got jealous of Dovid, he said that their marriage was invalid because of the 100 orlos. He gave Michal to Paltiel the tzaddik. Dovid wanted Michal back. In order to convince Ish Boshes to give his sister Michal back

to Dovid, Dovid told Ish Boshes he had risked his life for her, reported Shalom ben Shetach from the shevet of Zevulan. Michal was given back to Dovid. On the way Paltiel was crying from happiness for he was finally able to give Michal back to Dovid. Avner told him to go away. In order to convince the Ziknei Yisroel to come to Dovid, Avner told them "you really wanted Dovid , but you chose Ish Boshes because of me." Avner also went to Binyomin and tried to convince them reported Shimon ben Shlomo

since Binyomin and the Zikenim are powerful and will get the others to follow. Avner went with 20 people to Chevron, Dovid welcomed Avner with a feast. At the feast reported Moshe ben Geira from the shevet of Yehuda. At the meal Avner proposed that he bring all the yidden to Dovid, Dovid agreed. .

BREAKING NEWS: AVNER IS

Yoav was coming back from a battle with lots of spoils. Avner was on his way out from the feast of Dovid. Upon hearing that Dovid had sent Avner in peace Yoav was very upset. He sent messengers to get Avner. When the messengers spotted Avner they stopped him unwittingly for a minute, and they stabbed him. Yoav had killed Avner for the revenge of

his brother Eshohel. When Dovid heard he said I have nothing to do with it. Dovid cursed Yoav and his family with a number of curses like bodily discharge, need of crutches, lack of bread and to die at a young age. R'l. Bnei Yisroel and Dovid mourned Avner, wore sackloth and buried him.

BREAKING NEWS! KING ISH BOSHES IS

When Ish Boshes heard that Avner was killed, he knew his end was near, and his hands began to shake. There were two Reshoim that thought that Dovid wanted to rid of Shaul's family. They were generals in Ish Boshes's army. They were none other than Banna and Rechev. They decided to kill anyone, from Shaul's family, that would be able to be king. Yehonason had a son Mefiboshes and when he was a baby his nanny had dropped him upon hearing the news that Shaul lost the war. Mefiboshes became lame because of that. They didn't see Mefiboshes as a threat to Dovid's kingdom so they let him live. On a hot afternoon they went into the palace among a group of wheat merchants, reported chizkiyahu ben Elazar from

the shevet of menashe, Ish Boshes was in middle of a afternoon nap. Because they were once generals in the army of Ish Boshes they were admitted in to Ish Boshes's private chamber. Once they were in alone they stabbed him and cut off his head. They were sure Dovid would be thrilled that they had killed Ish Boshes. When they came into Dovid's palace they showed Dovid the head, and said "Here is the head of Ish Boshes, the son of your foe Shaul, who wanted to kill you, and Hashem gave you revenge on shaul and his offsprings." Dovid was very upset and spoke sternly to them "You really thought i would be delighted by your murders actions? maybe you even expected me to reward you, for killing a innocent man in cold blood!?

do you know what a tzaddik Ish Boshes was? do you know he never hurt anyone personally in his life? how could you have killed someone that never even wanted to be king in the first place!" Dovid continued "The person who told me of Shaul's death thought he was telling me good news, instead i grabbed him how much more so when a tzaddik is killed his avenge calls out" Dovid orderd his servants to kill Banna and Rechev. Banna and Rechev were killed in the most horrific way, and hung Banna and Rechev in Chevron. Ish Boshes's head was buried in Chevron by the kever of Avner.
