I Remember

I Remember that faithful day
When our started to blink away

We were told the news of Shaul' s death
By the awful son of the Amaleki who took away our breath

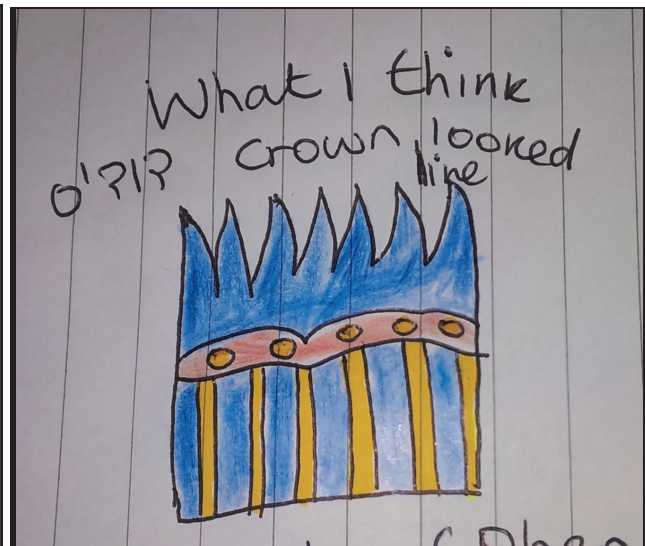

He told us the story that happened to him
When Shaul asked to kill him so didn't have to sin

He also told us the bad news
That Shaul' s sons didn't get rescued

David to fall to the ground in anguish
After hearing the bad news the would not make the Jews
'holiness' extinguish,

He ordered Doeg the Edomi to be killed straight away
Because of the things he did and displayed

After killing Shaul he did deserve to pay
So none should think to copy him-no way!

MifiBoshes lame?**

When the news reached Kings

Pelishtim had won everyone
ran in panic afraid the Pelishtim
would come to them in the
tumult, MifiBoshes was being
held by his nanny who was
running, she by mistake
dropped him causing him to
become lame in one foot

How mad
Avner
looked

Am I The
watcher of
dogs...

Dear Diary, - *Monday 21 Cheshvan*

It's the news of the town Avner the general of IshBoshes, thinks that in return for all the goodness he has done for IshBoshes, he can take King Shaul's secondary wife and marry her, however there is a rule in the Torah that once someone is a king's secondary wife they can't marry anyone else, even after the king dies, apparently IshBoshes started screaming at Avner "Why did you take my father's secondary wife!?!?" and Avner screamed back am I a watcher of the dogs... it got very heated and in the end IshBoshes was too scared to answer back! This isn't looking good.. Thanks for Listening—Miriam

Dear Diary, - *Tuesday 22 Cheshvan*

Hear this! Avner has had enough with IshBoshes (ha!...) and has decided to go and make peace with King Dovid, however King Dovid will only meet with Avner if he returns his former wife Michal, whom Shaul took away saying it wasn't a Halachically certified marriage (which btw it was) Shaul had given her as a wife to Paltiel, but being a real Tzaddik he realized Shaul's mistake and he lived with her but he didn't act as a married man with her! Wow! That must have taken loads of self control, shows what a Tzaddik he was.. anyways, as Paltiel returned Michal to Dovid he was crying! But he was crying because he was happy he had overcome this Nisayon, and He was also a bit sad that he finished his Nisayon cuz he liked being challenged etc.. Anyways ill tell you more as it happens! BB, TTYL! ♥ Miriam

Dear Diary, - *Thursday 24 Cheshvan*

Well if you've think you've met someone crazy, listen to this, basics Avner comes and meets King Dovid, he makes peace with him and promises to bring all of Bnei Yisroel together to Dovid, so this is all nice, King Dovid sees Avner off and that's that, then along comes King Dovid's general Yoav, he's returned from attacking, he hears that the King's made peace with Avner and then he gets so mad at King Dovid and tells him that Avner is tricking him and He shouldn't believe him and everything... King Dovid is just quiet so Yoav thinks he agrees And now he goes and sends his messengers to find Avner. (he was at Bor Ve'Sirah) Avner comes back and Yoav takes him to the side of the city gate, so it would look like he was talking to him casually but without Avner noticing he took out his sword and stabbed him in the 5th rib. King Dovid found out about this and was so sad he mourned in public any Everything.. This is looking really sad. (also btw I think Bor Ve'Sirah hints to the two reasons Avner was Chayuv Misah and everything) anyways TTYL ♥ Miri

It's just a 'Play Fight'

Drancy Drew

Alon is just a regular boy who works for King Dovid; his job is to deliver food to Dovid's army daily so that Yoav and his soldiers will have energy to fight.

Before we start the story let's go and look how King Dovid's general Yoav is related to King Dovid, Yoav is one of three brothers, there is Yoav, Avishai and Esha'el, their mother is Tzurya who is Dovid's sister, so Yoav is Dovid's Nephew.

Going back to the story, the other day Alon did his daily rounds, Yoav and his army were a few minutes away for Brichas Givon they invited Alon to join them for a bit as they had a very interesting speaker, giving them a lecture.

So Alon travelled with them for a bit and as they reached Brichas Givon, they met the soldiers of king IshBoshes together with their general Avner, the two sides are not best of friends, because of the situation of who should be king, but they learned to get along with each other.

Being a boy, Avner wanted to prove that his army is stronger, so he suggested a play fight, Yoav agreed to the idea as he also wanted to show that his army is stronger

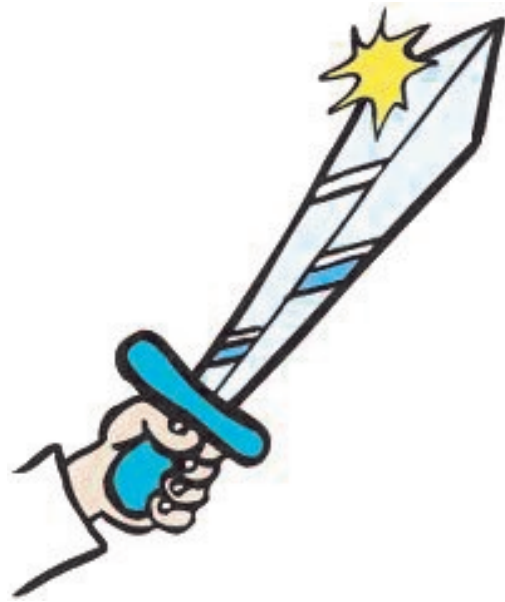

So 12 men from the side of IshBoshes and 12 men from David's side lined up faced to face and when they shouted go, they each took hold off each other and tackled each other, however the problem was that all the men were of equal strength so all sides died.

All this is happening while Alon is watching from the side-lines, before Alon could blink it the whole play fight had turned into a full blow battle.

Suddenly Yoav's brother Esha'el starts chasing Avner, Esha'el was as fast as a deer so he kept Avner on his toes, Avner turns around, and because he is running so fast he can't really see who's chasing him, he thinks it is Esha'el but he's not exactly sure, so he asks, 'is that you Esha'el?' to which Esha'el confirmed that it,

Avner tells Esha'el to stop chasing him, because if he didn't stop chasing him he would unfortunately have to kill Esha'el, Avner tells him to grab hold of a boy so he wouldn't be embarrassed, and then Avner wouldn't have to C"V kill Esha'el.

Esha'el refuses to listen to Avner and continues to chase him; Avner pulls out his sword and stabs Esha'el in the 5th rib, causing him to die immediately, Baruch Dayen Ha'Emes.

Yoav hears that Avner killed his brother Esha'el and he and his brother Avishai start chasing Avner, the men of Binyamin hear and come to help, eventually they meet with Avner who is on the top of one mountain and Yoav, Avishai and Shevet Binyamin are on the top of the mountain opposite, Avner calls to Yoav "Will you forever live by your sword?" and Yoav tells him to take a long walk off a short peer he started this whole war by suggesting a play fight! In the end Yoav blows a shofar to indicate that the war has ended, Avner returns to Machanayim and Yoav and Avishai after burying Esha'el return to Chevron after burying Esha'el in Beis Lechem. After watching the turn of events a very shocked Alon returns to Chevron along with Yoav's army. How depressing, how sad.

A Biblical Story based on Historical facts

Illustrated by ChayiniCo

IshBoshes Ruled over Bnei Yisroel but it was really Avner who ran the show

After Avners death IshBoshes realized the end of his ruler-ship was near

Some belived..

We insist that the king is innocent but why did he make peace with avner?

Others belived..

We belive that the king must be involved in the murder, maybe he is trying to get rid of Avner and Ishboshes

Among the 2nd group there were two re'shaim who had once been generals in Shaul's army. They assumed that David Hamelech would be very happy if his enemeies were killed

These two men names Banna and Reichov they were brothers from Shevet Binyamin

They said...

Lets kill IshBoshes he is the last worthy ruler from Shaul's family besides from him there is only Yehonasons son MifiBoshes he is lame in one foot so he is not able to be king and besides we will get a reward from David for killing his enemy

Banna and Reichov didnt bother Ritzpah's (Shaul's Peilegesh) children because they were not able to become king anyways

IshBoshes lived in Machanayim, to the east of the Yarden,

Banna and Reichov chose noon time to do this terrible thing they came in on a hot day with a group of wheat mearchants,

IshBoshes was having his afternoon nap

Since Banna and Reichov had once been genarals in Shaul's army the servants knew them and let them into IshBoshes's private chamber!

They stabbed IshBoshes in the 5th Rib and cut of his head

Banna and Reichov escaped from the palace and ran all night to get to David in Chevron to show him what they did

They come to David's Palace....

Your Majesty we have a very important item to give you

Here is the head of your enemy IshBoshes, who wanted to kill you! Hashem gave you the chance to take revenge today!

I am disgusted by your behaviour I will punish you severely so no none should even think of copying your behaviour didn't you learn from Doeg the Amaleki who killed Shaul?

David ordered that their hands and feet should be cut off and they should hung for all to see that nobody should copy them
