## OPPORTUNITY #6

### Tishrei Promotional Items!

#### Tishrei How To

The How To Series is a series of comprehensive kits designed to make any given activity or project as attainable as possible. Functioning as planning manuals, project guides and activity kits all in one, The How To Series will give you all the essential tools you'll need to effectively plan, advertise and stage a variety of activities and projects!

Each kit comes in a binder containing a number of sections separated by dividers. These sections outline in detail all aspects of the particular subject, giving basic instructions, tips, helpful hints and suggestions all collected from the experience of veteran Shluchim. Each section discusses a different area of the subject.

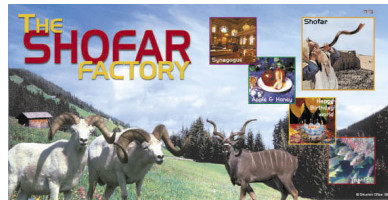

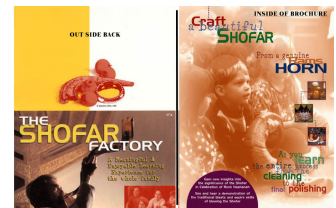

At the end of each section are related materials available for your immediate use and/or customization. Just pop the enclosed disk(s) into your computer make your changes, and you're ready to go!

#### Fax of Life 5763 Disks

As you are aware many Shluchim have greatly benefited from a relatively inexpensive Peulo: sending a weekly fax message to their Baalei Baatim. The Shluchim Office is offering a complete year of the weekly FAX OF LIFE, on disk.

This beautifully designed weekly fax contains brief torah thoughts with blank slots to include local candle lighting time, organization name and sponsorship. This FAX OF LIFE we are now offering is written and made available by Rabbi Sholom Ber Wienberg, Shliach in Kansas City. The two disks that contain the entire year round selection and are set up to modify & print with Microsoft Publisher and fax with Delrina Winfax program.
